To whom it may concern:

Please accept this reference letter as strong support for Emily Read. I first meet Emily as a student in my first year Print Media course and second year Drawing course in the 2007-08 year. Emily was a very courteous and pleasant student to work with. She has an excellent facility for drawing and her assignments were always completed with enthusiasm and promptness.

In the spring term of 2008, Emily was a volunteer Class Assistant for my Print Media 1 class. She was excellent in helping to prepare for the class including organizing materials and tools for the students' use and set up and preparation of technical demonstrations for the class. She was also invaluable to the Print Media Technician Jillian Booth testing materials and helping with the print shop maintenance and upkeep. As a volunteer Emily was dependable in her attendance to class and efficient and reliable in her assigned duties always asking if there was more she could do. Emily logged 70 hours with the Print Media 1 class from May 12 – June 30, 2008. In the 2008/09 year she has continued her role as Class Assistant in Print Media 1 for Professor Daryl Vocat.

Emily is a very creative and disciplined individual and would make a great addition to any organization. If you have any further questions please contact me and I would be happy to answer any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "N. Fox".
