

EDUCATION & TRAINING

8th November 2017

To whom it may concern,

As the Director of Studies of INUS Australia, I am writing this letter in support of Emily Read who taught at our institution from November 2016 to May 2017.

During her time here as an English Language Teacher, Emily taught all levels from Elementary to Advanced and each class ran for 20 hours per week. She was a very popular teacher and students regularly praised her teaching. Emily taught students from a wide range of countries such as Japan, Colombia, Korea and Italy and was very sensitive to each student's needs. Emily also had extensive experience teaching FCE Preparation classes. She was very skilled at getting students to contribute in class and they really enjoyed studying with her.

In summary, Emily did a wonderful job at INUS Australia and I found her to be an extremely competent and professional individual. I would strongly recommend her for any teaching role in the future.

Should you require any further information, please do not hesitate to contact me.

Yours Faithfully,

Michael Snook
